Dear Elliot

### **Barton Village Day 12 July 2008**

I was delighted to learn that you are donating a £75 full car valet as a prize for the Grand Draw on 12<sup>th</sup> July. Very many thanks for organising this. I would greatly appreciate that prize myself although perhaps a little wasted on a Micra! but it will certainly help with the selling.

I have been able to itemise the prize on the draw tickets this year so many thanks for letting me have the information so early.

Your support is as always greatly appreciated by the Committee, and by me in particular.

With kind regards.

Yours sincerely

*Maggie Edwards.*
