Dear Mr & Mrs Wallis,

Thank you very much for sponsoring the Barton Recreation Ground Improvement Group(BRIG) 2010 Calendar.

This was a great success and raised £750 for BRIG towards the new Sports & Social Pavilion.

We are hoping to commence building in the autumn if all our funding applications are successful. The pavilion will provide excellent meeting room facilities available for businesses to hire as well as for use by sports teams, village groups & individuals

Thank you again for all your support

Yours sincerely

Meta Greenfield (Mrs)
